Call it Creative – How Music and Daily Life Mix

Resonate with science, but also music, that is the truth of things.

I. Just listen to music

II. Debate History

III. Trotsky taking on Lenin

IV. Listen to Music

We mean history should be written this way.

Slavoj Zizek –

Yes I mean one can say, that music is lived and that does not happen often, but when it happens it is an Event. If it happens a lot, it is a creative infinity of an Event.

Of course DJ’s are all over Yougouslavia, but we mean music which is better, like a shoe-gaze style that Che used to have.
